Grand Knights Corner

Gentlemen,

Another year has come and gone. Are you getting everything you need out of your membership in the Knights of Columbus? Is there someone who you think would be a good Knight that you just never asked if he was interested? Do you have any ideas that you would like the Knights to consider but just never brought up at a meeting? This is your council, take full advantage of your Knights membership.

Thank you to all who helped make the Annual Parish Dinner Auction another success. Thanks to all who signed up to work Christmas in the Park at Longview. If you are interested in helping on membership please let me know. We had a couple of Knights step up and help get our prospects called and to a 1st degree. If you have never been involved with the Annual Casino Night please consider it. We are compensated based on man hours. It doesn't matter if you help with procurement, set-up, breakdown, dealing or whatever. It is always a great night and a very easy fundraiser.

We are always asking something of you. I would like to take this time to have you mark your calendars for Feb. 6th. This is the First Annual dues paying party. We will have beer, food, raffles and fellowship. Lets enjoy a night together where we don't have to work. All that is required is that your dues are paid.

Lastly, I want to take a second and wish you and all your loved ones a very blessed and Merry Christmas. Remember to keep Christ in Christmas. He is the Reason for the Season.

God Bless You All! Vivat Jesus

Tom Davis

DID You Know??

The Vatican, the Knights and Mass Media

By Brian Dowling (excerpts from article)

The former president of the Pontifical Council for Social Communication, Cardinal John P. Foley shakes hands with Supreme Knight Carl A. Anderson.

In 1964, the Vatican and 10 other countries founded the International Telecommunications Satellite Organization (INTELSAT), through which the Holy See was able to transmit live audio and video anywhere in the world. Argentina and Chile were the first countries outside of Europe to pick up the broadcast in 1969. With the Knights' support, the number of countries increased to 35 in 1985 and 47 in 2006. Since that time, the Order has provided for the "up-link" cost to transmit signals to the satellite and, in certain situations for developing countries, the "down-link" cost for reception of the transmitted signal. Specifically, this program annually supports transmission of the Christmas Midnight Mass, the Pope's Christmas Day message, the Jan. 1 Mass for the World Day of Peace, numerous Holy Week ceremonies, the Easter Sunday Mass and the Pope's Easter message.

Over the past two years, the satellite uplink program has changed its platform for worldwide broadcasting from INTELSAT to Eurovision World Feed. Through this change, coverage to Africa, Asia and Oceania has greatly improved; uplink costs are lower; and downlink costs are nearly obsolete. Due to the overall lower costs, worldwide coverage expanded to include the Jan. 1 Mass for the World Day of Peace, while Europe and North American coverage extended to include Palm Sunday and all Holy Week events.

The task of communicating the Gospel to the modern world is not an easy one, but the "journey" so far has brought the Vatican to within a hand's breadth of countless millions thanks to the Knights of Columbus.
