The Color Corps is an elective division of the Patriotic Degree that presents a visible reminder of our service to the community.

Catholic Pilgrimage Sites

Technology is allowing pilgrims to experience the sites of the Vatican through virtual tours of St. Peter's Basilica, St. John Lateran, St. Paul Outside the Walls, St. Mary Major, Redemptoris Mater Chapel, St. Peter's Tomb, Pauline Chapel and the Sistine Chapel. From the comfort of your home you can move about at will, zoom in on items of interest and can even see the details on the floors and ceilings. Make sure you set aside some time to really go through each site as there is so much to see. These virtual tours are a great way to experience the sites until you can get there in person.

These are some of the best tours I have seen. They are old from 2011 but still nice to visit.

Here is their website: Just click on the below URL . Follow instructions on screens.
