Special thanks to Villanova University in Pennsylvania (USA) for its contribution to the realization of the Virtual Reality Tour of the Basilica of Saint Peter.

Click on this website:

http://www.vatican.va/various/basiliche/san_pietro/it/basilica/audioguide.htm#thumb

From the above website you can on the left side of the screen scroll down to the 'Virtual Visit' and click on English or Italian... I tried to get the web site to stay in English mode but it might not transfer depending on your system, I was able to get this working in both Google Chrome and also Internet Explorer.

Using your mouse to scroll up and around and zoom in you can actually see the writing on the ceiling, it is the best Virtual walkthrough I have seen.

I hope it works for you, it is exactly as I remember it, pretty nice walk through of the whole Basilica, plus lots of other information about the Vatican and Popes. Enjoy Ray Theiling
