Feast of the Guardian Angels

Perhaps no aspect of Catholic piety is as comforting to parents as the belief that an angel protects their little ones from dangers real and imagined. Yet guardian angels are not only for children. Their role is to represent individuals before God, to watch over them always, to aid their prayer and to present their souls to God at death.

The concept of an angel assigned to guide and nurture each human being is a development of Catholic doctrine and piety based on Scripture but not directly drawn from it. Jesus' words in Mat-

thew 18:10 best support the belief: "See that you do not despise one of these little ones, for I say to you that their angels in heaven always look upon the face of my heavenly Father."

Devotion to the angels began to develop with the birth of the monastic tradition. St. Benedict gave it impetus and Bernard of Clairvaux, the great 12th-century reformer, was such an eloquent spokesman for the guardian angels that angelic devotion assumed its current form in his day.

A feast in honor of the guardian angels was first observed in the 16th century. In 1615, Pope Paul V added it to the Roman calendar.

THE GUARDIAN ANGEL
God has commanded the Angels
to watch over us and protect us
during life's journey.
